

SATURDAY, AUGUST 12: 12-4PM

**SPONSORS, VOLUNTEERS, AND
DONATIONS PACKET**

ABOUT THE SLIP N' SLIDE

The Saturday Slip N' Slide event was started by Steve and Shelley Frody, life-long residents of Georgetown Township and real-estate brokers. They began the event 10 years ago to bring the community together and to give back in a constructive way.

This year, The Saturday Slip N' Slide is brought to you by Never the Same, a national youth ministry organization. Never the Same started in 2000 and continues to help students grow in their faith through many different avenues. Head to their website to learn more. neverthesame.org This year, all proceeds will go to support their ministries.

A huge reason this event is so successful is because we partner with so many great businesses and volunteers.

We invite you to partner with us to make the Saturday Slip N' Slide the hottest event in Georgetown Township. Let's work together to make this a day that children and families will look forward to year after year. We are proud to be a part of such a great place to live. Thank you for your consideration and time.

Event: Enjoy giant Slip N' Slides down the hill of the Soccer Bowl. Bring your family and friends to this community sponsored event and enjoy a nice summer day. Activities include: slip n slides, raffles, kiddy water park, foam pit, food, sponsor tents, and much more. All proceeds generated from this event will go directly back into our own community to support the ministries of Never the Same.

Why: This is a kid friendly event for families to enjoy. Our goal is to give back to the community and show people that Georgetown Township is a great place to live!

Safety: Safety is our top priority throughout the event. We partner with the Ottawa County Sherriff's Department, emergency medical services, and the local fire department to ensure the safety of all our guests. Nearly 100 volunteers are recruited and trained to help the day flow smoothly. The Sherriff's office monitors weather conditions throughout the event and notifies us if severe weather is approaching so we can alert guests as necessary. First Aid volunteers are present and clearly identified to help with cuts, abrasions, sunburns, etc.

2023
